

Bleeding Control Courses for the Public

Join us on October 20 – 21, 2018

Saturday – sessions at 10:30 a.m., 12 p.m., 1:30 p.m. and 3 p.m.

Sunday – sessions at 11:30 a.m., 1 p.m. and 2:30 p.m.

Each session is limited to 20 participants. Training certificates will be provided.

At the annual Health Wellness & Sports Expo | Chelsea Piers, 1 Blachley Road, Stamford

This training is free and is open to the public.

The top cause of preventable death in trauma is bleeding. **20% of people who have died from traumatic injuries could have survived with quick bleeding control.**
